

A tool to help you focus on the responsibility that God has given you to love and serve the people that he's brought into your life.

You have heard me teach things that have been confirmed by many reliable witnesses. Now teach these truths to other trustworthy people who will be able to pass them on to others.

# DISCIPLE THREE

**Beyond your family, who are the three people that you need to invest in for the next six months?**

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

1. Pray for one of the three every day. Ask God to show you a specific way you can help them grow in their relationship with Christ.
2. Communicate with all three at least once a week.
3. Have a spiritual interaction with each one at least once per month. Help them move toward Christ and others in new ways. Invite them to do ministry with you.

**What's a spiritual interaction? Look for ways to engage their head, heart, and hands. When appropriate, ask questions like:**

1. Where are you currently struggling (spiritually, relationally, personally)? Do you know why?
2. What spiritual lesson are you currently learning or have you recently learned?
3. What is one truth about God and the gospel you need to believe and live out?
