Week 10

Relationship with the Church: Role of the Church

Text: 2 Corinthians 5:11-21

Main Point: God uses the church to save the world.

This week we will continue with our focus on the church, reviewing last week's definition (all Christians, all time) and moving on to the purpose of the church. We will talk about the connection between one universal church and local churches and what role these play in saving the world. We will continue to use our student ministry language (pursue God, connect with the church and engage the world) to discuss the role of the church.

Questions:

1. Define the church. Who is a part of the church?
2. Can you be a Christian and not be a part of a church?
3. What is the purpose of the church?
4. What is the most important thing you have learned from being a part of this/a church?
5. What is the biggest responsibility of the church in your opinion? Why?
6. Do you think you have a part to play in the church? What is that role? Are you fulfilling it?
